Weekly Update for Parents and Carers

Dear Parents and Carers,

This week across school, students have engaged in thoughtful learning and reflection that reflects our core values of respect, responsibility and resilience, encouraging them to *let their light shine* through their actions and attitudes.

Holocaust Memorial Day – In the News & Worship

This week's *In the News* session and worship assemblies marked Holocaust Memorial Day on 27th January, focusing on remembrance, reflection and learning lessons for the future. Students explored this year's theme of *Bridging Generations*, considering the importance of remembering the Holocaust and standing against discrimination in all its forms. Through discussion, reflection and survivor testimony, pupils were encouraged to recognise our shared humanity and their responsibility to challenge prejudice and injustice.

As part of this reflection, students considered the example of Jesus, who showed love, compassion and courage by breaking down barriers between people. In particular, pupils reflected on Jesus speaking with the Samaritan woman at the well, crossing boundaries of race, gender and religion. This encouraged students to think about how they can live out Christian values through kindness, dignity and respect.

We were also pleased to welcome Year 9 students from The Elton High School, who worked alongside our own Year 9 pupils on a linking arts project exploring identity through the Holocaust. Using artwork and personal stories, students reflected on the question *"Who am I?"*, developing empathy and understanding through creative expression.

Careers Education

Our careers programme continues to support pupils in preparing for future pathways. We have been meeting with Year 10 pupils on a one-to-one basis to discuss aspirations, progress and next steps. In preparation for National Apprenticeship Week, pupils have been signposted to the *"Apprenticeships Explained" webinar on 11th February*, helping them to explore apprenticeships as an important post-16 and post-18 pathway and make informed decisions about their futures.

Enrichment & SHINE Curriculum

- **Year 7**:
  Classes 7E1–7E3 welcomed Bury Youth Parliament, learning about democracy and youth voice. Classes 7E4–7E6 focused on devolved government in preparation for their Youth Parliament talk next week.

- **Year 8**:
  Pupils explored physical altercations, learning why conflicts escalate and how to respond safely and responsibly.
- **Years 9 & 10**:
  Students focused on respectful behaviours, discussing how to manage disagreement maturely and treat others with kindness.
- **Year 11**:
  Pupils continued developing revision strategies, with a focus on dual coding to support memory and exam preparation.

Looking Ahead – PSHCE (Next Week)
Next week's PSHCE lessons will continue to support pupils' personal development and life skills:

- **Year 7**: Challenging Islamophobia
- **Year 8**: Managing money (Part 1)
- **Year 9**: Using Copilot to research careers
- **Year 10**: Considering decisions around pregnancy (taught sensitively)
- **Year 11**: Understanding loans, interest and APR

Across all year groups, these sessions reinforce positive choices, respect for others and resilience, helping pupils live out our Christian values in practical ways.

Looking ahead, we will also be celebrating National Storytelling Week, focusing on the power of stories and *the greatest storyteller who ever lived*.

Thank you, as always, for your continued support.

Kind regards,
Bury Church of England High School
